A Rose By Any Name

A rose by any other name would smell as sweet. This formulation is, however, a paraphrase of Shakespeare's actual language. Juliet compares Romeo to a rose saying that if he were not named Romeo he would still be handsome and be Juliet's love. This states that if he were not Romeo, then he would not be a Montague and she would be able to get married with no problem at all.

Juliet is not allowed to associate with Romeo because he is a Montague. If he had any other name it would be fine. She's complaining that his name is meaningless. If the rose had any other name it would still be the same. So with Romeo; he would still be the same beautiful young man even if he had a different name.
