Some believe that the Cold War ended in 1991, when the Soviet Union fell apart. In retrospect, many observers also believe that a golden opportunity was missed to heal the wounds inflicted by over 45 years to hostility between the Washington and Moscow. Rather than encouraging development of a Russia that would adhere to Western European norms for elections, transparency and individual ...

It was one that would have been familiar to previous generations of U.S. field commanders, especially Union generals in the Civil War. The Louisiana Maneuvers, for example, were essentially a teaching tool in battle management for an officer corps that had virtually overnight been tasked to lead mass armies in the field.
