NYSBA | Antitrust Law Section Meeting - January 17, 2019

Antitrust law has gone through many changes. From the 1950s through the early 1970s, antitrust law was expansively interpreted and broadly enforced. Plaintiffs frequently won, and a wide variety of business practices were presumed to be illegal. ² The bases for such expansive interpretations was sometimes questionable, however.

Antitrust Law Developments - Nexis

United States Antitrust law is a collection of federal and state government laws that regulates the conduct and organization of business corporations, generally to promote fair competition for the benefit of consumers. (The concept is called competition law in other English-speaking countries.) The main statutes are the Sherman Act of 1890, the Clayton Act of 1914 and the Federal Trade ...
