API/IP 1581 Specifications and qualification procedures for aviation jet fuel filter/separators, 5 th Edition Addendum 20 December 2006

The qualification testing requirements that were included in the 5th edition of EI 1581 have not been significantly amended in this 6th edition. Therefore existing qualifications to 5th edition are recognised as also meeting the requirements of this 6th edition. This read-across from the 5th to 6th editions applies only to the category tested.
