The military history of Australia during the Boer War is complex, and includes a period of history in which the six formerly autonomous British Australian colonies federated to become the Commonwealth of Australia. At the outbreak of the Second Boer War, each of these separate colonies maintained their own, independent military forces, but by the cessation of hostilities, these six armies had ...

{Page vii} PREFACE TO THE FIRST EDITION. This little History, in eight chapters, only touches a few of the more prominent incidents connected with pastoral settlement and the gold discovery in the Ballarat district. The compiler has seen the growth of the town from a mere collection of canvas tents among the trees and on the grassy slopes and flats of the wild bush to its present condition.
