Paul Bunyan is a giant lumberjack in American folklore. His exploits revolve around the tall tales of his superhuman labors, and he is customarily accompanied by Babe the Blue Ox. The character originated in the oral tradition of North American loggers, and was later popularized by freelance writer William B. Laughead (1882–1958) in a 1916 promotional pamphlet for the Red River Lumber Company.

### **Paul Bunyan - Wikipedia**

Paul Brown is a respected traditionalist and innovator in old-time music. He started playing banjo at age ten. He spent years learning directly from some of the last southern mountain fiddle, banjo, and guitar players to emerge before the age of radio and recordings.
