Dance In Bubble Writing

Making Thick Bubbles. Draw a letter with a single line. Draw an outline around the letter (lightly with a pencil), and make sure to do two things: Make the outline with no sharp corners or angles, for now. Later, you can experiment with making corners here and there to give the bubble letters your own unique twist.

How to Draw Bubble Letters (with Sample Letters) - wikiHow

Round and delicate bubbles make really cool designs. If you combine them with letters in a font the effect can be fun and interesting. Imagine soft bubble shapes rising up from letters, or the letters itself shaped to resemble plump and cute bubbles, and you get an idea how much fun Bubble Font designs can be.

Superb Bubble Font Collection - Design Press

We've got some really cool printable letters across the Woo! Jr. Network. But there are a lot of uses for just plain old ordinary bubble letters, like for craft patterns, quilting, banners, lettering, scrapbooking... oh, I could sit here and think of more uses, but you probably can think of more than I can.
