A few weeks ago, Chris and I separated. I'm not going to tell you about all the reasons, since I'm not the only person involved (otherwise, of course I'd be talking your heads off about it). On the other hand, I do have millions of observations to share about what it means to separate at such a crucial time in your life. Yep.

Kevan Davis is a freelance web developer and game designer based in London. This is his website.

### **kevan.org**

Alright, at this stage I've got like exactly 50 posts about things and, umm, I'm losing track of what I've written about lol! XD I know what I want to write about at some stage, but at times I've almost started and gone "no wait haven't I? Yep, done it". So if I'm gonna make a list for myself I may as well do it properly, and put it here cause why not.

### **Hypno Splash**

GAME CHANGER!!! The subtract the room game helped me reinforce math facts, while students got up and moved around, and most importantly, HAD FUN!! Post the cards all around the room, and students walk around with their recording sheet, and write the equation with the corresponding letter next to it, and solve it!
