Direct marketing in practice (Book, 2002) [WorldCat.org]

Lesson Summary. Direct marketing is a very effective and powerful way to share information about a product or service. It offers companies a way to reach a large number of potential customers in a short amount of time. Direct marketing is a broad approach that is not directly targeted to specific individuals or only customers of a business.

What is Direct Marketing? - Definition, Concepts & Examples

Tips for Direct Mail Marketing to Physicians Don't send letters. Doctors' offices receive dozens of letters a week, usually from insurance companies, hospital groups etc. Adding one more letter from your practice to the stack does not guarantee that the doctor will even see it (or open it).

Best Practices for Direct Mail Marketing to Physicians

Benefits. Relative to other channels of distribution (say retailing) direct marketing as a practice principally relies on the proposition, offer, communication, choice of channel and the target customer and so less dependent on the brand strength. Despite the proven ability of direct marketing to generate measurable results,...

Direct marketing - Wikipedia

Direct marketing techniques for advertising are usually marked by driving a particular "call to

action," which is a core principle of successful advertising. This part of direct marketing focuses a great deal on actionable and measurable outcomes that produce positive responses from consumers.
