Just when you thought “fake news” was only about those dastardly Russians hiding under every bed, Japan comes out and admits that 40% of its economic data is bogus. That’s right, a report from Japan’s Internal Affairs Ministry this week reveals that 22 of the 56 key economic statistics reported by the government are faulty and “that irregularities in 21 of the 22 sets amount to ...

Fake News: Economics Edition : The Corbett Report

There is a significant difference between economics and finance. To understand the differences we must understand each of the categories and learn their fundamental principles. Economics is a social science. The science of economics studies the production, consumption and distribution of services or ...

Background . California's major initiatives for reducing climate change or GHG emissions are outlined in Assembly Bill 32 (signed into law 2006), 2005 Executive Order and a regulation to reduce passenger car GHG emissions. These efforts aim at reducing GHG emissions to 1990 levels by 2020 - a reduction of approximately 30 percent, and then an 80 percent reduction below 1990 levels by 2050.

China: A New Philosophy of Economics. By Peter Koenig. November 16, 2018 "Information Clearing House"- China’s economic philosophy is a far cry from that of the west.. The west consistently seeks to undermine the interests of their partners, be it for trade or political agreements; be it partners from the west, their smaller and weaker brothers; or from the east; or from the south - there ...

In honor of MisinfoCon this weekend, it's time for a brain dump on propaganda -- that is, getting large numbers of people to believe something for political gain. Many of my journalist and technologist colleagues have started to think about propaganda in the wake of the US election, and related issues like "fake news" and organized trolling.

Published in 1939, John Steinbeck's *The Grapes of Wrath* was met with immediate critical and popular success when it first appeared. An American realist novel set during the Great Depression and the Dust Bowl, Steinbeck's work documents hard times in general, and also explores its era through the experiences of one particular family, the Joads.
