Hippie, also spelled hippy, member, during the 1960s and 1970s, of a countercultural movement that rejected the mores of mainstream American life. The movement originated on college campuses in the United States, although it spread to other countries, including Canada and Britain. The name derived from "hip," a term applied to the Beats of the 1950s, such as Allen Ginsberg and Jack Kerouac ...

Lexical Investigations: Happiness "The pursuit of Happiness" was thought to be an unalienable right by the writers of the US Declaration of Independence. However, in 1776, the definition of happiness evoked a different meaning than it does today. When the framers of this historic document wrote about "Life, Liberty, and the pursuit of Happiness," what exactly did they mean by ...
