Education in the United States is provided in public, private, and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in funding comes from state and local governments, with federal funding ...

Sports creates some great memories and some even more amazing pictures. Vintage sports images are snapshots of history that took place on an athletic field rather than a battlefield. They are often watched on a television instead of read about in a textbook. And sports are often a great unifier of people and cultures -- a way to level the playing field and put everything else aside.
