A smart casual dress code includes a variety of options for men and women. Smart casual dress is a step up from business casual, but not as dressy as formal work attire. Smart casual implies that employees have kicked their dressing up a notch from business casual in a smart and well-pulled-together look. The smart casual look allows flexibility for personal taste in fashion and includes ...

Smart Casual Business Attire: a Smart Casual Dress Code

The Acts of the Apostles depicts the early church working hard to grow itself and serve others in the face of opposition, shortages of people and money, government bureaucracy (church bureaucracy came later), internal strife, and even the forces of nature.
