Wool. He began the series in 2011, initially writing Wool as a stand-alone short story. His first book was initially published with a small press. After that, he decided to publish through Amazon.com's Kindle Direct Publishing system, because of the freedom of self-publishing. After the series grew in popularity, he began to write more entries for it. ...

I have some novel-length stories that I have been posting on my Tumblr blog for feedback purposes. It is originally considered fanfiction, but for my more popular stories, I am transposing them, changing the characters so they are no longer considered 'fanfiction', and changing the narrative to something more universally reader-friendly, as well as doing quite a lot of rewriting.

Amazon has opposed efforts by trade unions to organize in both the United States and the United Kingdom. In 2001, 850 employees in Seattle were laid off by Amazon.com after a unionization drive. The Washington Alliance of Technological Workers (WashTech) accused the company of violating union laws, and claimed Amazon managers subjected them to intimidation and heavy propaganda.
