How to Make Vegan Pancakes Gluten-Free. Oat flour is one of my favorite gluten-free flours because it's affordable and easy to find in stores, but make sure you look for "certified gluten-free" on the label to avoid cross-contamination. You can make your own flour by simply grinding gluten-free rolled oats in a coffee grinder or blender.

I've been wanting to experiment more with gluten-free recipes since I have a few friends that eat gluten-free, and I am wanting to shy more away from it myself. These cookies are a result of that desire, and although they were kind of an experiment, they turned out so good I simply could not stop eating them (as in "6 cookies in 1 day" kind of good).
