Washington & Jefferson College is one of the most venerable institutions in the United States of America. Founded in 1781 by a group of pioneering Presbyterian ministers, the College is located in Washington, Pennsylvania, just 30 miles south of Pittsburgh, and provides undergraduates with a top-ranked four-year, co-ed liberal arts and sciences education.

### **History | Washington & Jefferson College**

History & Literature is the study of ideas in context. In discussion-based seminars and individualized tutorials, History & Literature students develop unique expertise in more than one discipline, more than one language, more than one century, and more than one culture.

### **Committee on Degrees in History & Literature**

Be a Part of History. History is an essential guide, not only to the past, but to the present and the future. It is difficult to understand ourselves and our world without understanding the past, its European and non-Western roots.
