I still can't really believe it, though I'm slowly starting to lose the floating feeling I've had for the past few days. The super warm summer weather combined with the familiarity of My House has made me extremely nostalgic and feel like my 10-year-old self during the summer days of my childhood, instead of actual 20-year-old me coming home after four months in Europe.

The traditional concept of an immaterial and immortal soul distinct from the body was not found in Judaism before the Babylonian exile, but developed as a result of interaction with Persian and Hellenistic philosophies. Accordingly, the Hebrew word נֶפֶשׁ, nephesh, although translated as "soul" in some older English Bibles, actually has a meaning closer to "living being".

(Greek psyche; Latin anima; French ame; German Seele).. The question of the reality of the soul and its distinction from the body is among the most important problems of philosophy, for with it is bound up the doctrine of a future life. Various theories as to the nature of the soul have claimed to be reconcilable with the tenet of immortality, but it is a sure instinct that leads us to suspect ...

A spiritual awakening and the discovery of Soul Ages comes through your intuition. It doesn't begin as a logical conclusion to confirm that you're an Old Soul, but rather, you intuitively feel a friction between your age and the way you perceive the world, and one day you come across a term that reasonably explains that feeling.. Our Intuition is the bridge to our higher potential, our ...
