A UN history of the notion. Since its creation, the United Nations has played a vital role in helping to reduce the level of conflict in various regions of the world by mediating peace agreements and assisting in their implementation.

### **Peace Building Initiative - History**

Peacebuilding is an activity that aims to resolve injustice in nonviolent ways and to transform the cultural & structural conditions that generate deadly or destructive conflict. It revolves around developing constructive personal, group, and political relationships across ethnic, religious, class, national, and racial boundaries. This process includes violence prevention; conflict management ...

In Belfast: Toward a City Without Walls Vicky Cosstick tells the story of Belfast's 100 sectarian walls and interfaces, now the last in Europe, which remain fifteen years after the Good Friday Agreement of 1998, and she asks for how much longer these physical signs and symbols of sectarianism and the Troubles will disfigure the cityscape. The walls are important as both memorials to the ...

In *Fair v. Bakhtiari*, the appellate court reversed the trial court's refusal to enforce a mediated settlement and compel arbitration pursuant to its terms because inclusion of the arbitration provision in the settlement was "consistent solely with an intention on the part of the parties for the settlement terms document to be enforceable or binding," thereby making the settlement admissible ...

The word "civility" may be complicated — but we can start having the conversations we want to be hearing. The Civil Conversations Project is an evolving adventure in audio, events, resources, and initiatives for planting relationship and conversation around the subjects we fight about intensely — and those we've barely begun to discuss.
