### **Math Exam Paper 4 Extended**

In both courses, the Paper 1 and Paper 2 exams test students only on their knowledge of topics from the Core. In Mathematics HL, the Paper 3 exam tests students specifically on their knowledge of the material from the Option selected by the school. As of the May 2008 examinations, schools are required to register students for a specific Option in advance and the school is now provided only the ...

All too often young children fail to remember the names of pattern block shapes. Over the years, Kristin Garrison has found that if teachers don't give students frequent opportunities to use pattern block names and become familiar with the attributes of the shapes, when handling pattern blocks after they leave kindergarten and first grade, they...

Technology integration is the use of technology tools [citation needed] in general content areas in education in order to allow students to apply computer and technology skills to learning and problem-solving. Generally speaking, the curriculum drives the use of technology and not vice versa. Technology integration is defined as the use of technology to enhance and support the educational ...
