### **Modernism Postmodernism And The Short**

Postmodernism is a broad movement that developed in the mid- to late 20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. ( In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...

2. Art for Art's Sake. By the early 20th century, progressive modernism came to dominate the art scene in Europe to the extent that conservative modernism fell into disrepute and was derided as an art form. It is well to remember that for most of the 20th century, we have fostered a narrow view of the modernist period, one in which progressive modernism has received almost exclusive attention ...
