Organic Kitchen Garden By Ann

The traditional kitchen garden, also known as a potager (in French, jardin potager) or in Scotland a kailyaird, is a space separate from the rest of the residential garden – the ornamental plants and lawn areas. Most vegetable gardens are still miniature versions of old family farm plots, but the kitchen garden is different not only in its history, but also its design.

Kitchen garden - Wikipedia

Discover our collections of organic vegetable seeds from High Mowing, a Vermont company. Choose from individual seed packets or entire seed collections designed for use with our pre-planned gardens. And you'll feel good shopping with Gardener's Supply: we're 100% employee-owned and a B-Corp – also based in Vermont.

Now is the perfect time to start a compost pile. You can do it fancy or simple. And if you know me, you know I always prefer simple. Compost is the most important thing you can use in your garden to improve your land's fertility (lawn, garden, and landscape), get rid of kitchen and yard waste efficiently, and save time and money.
