Patchwork quilts are enchanting to look at, to own and to create. One of the first craft projects many young girls learned to create in generations past was to make a patchwork quilt. Getting started is really simple and you will grow in your creative abilities each time you complete a quilting project.

### **3 Ways to Make a Patchwork Quilt - wikiHow**

Patchwork is the art of sewing together pieces of fabric to form a pattern or block. When enough

blocks have been made, they can be sewn together to form a quilt top. Quilting is the sewing together of the three layers that make up a quilt - the top, the central wadding, and the backing.

Ruler foot quilting is a type of free motion quilting. I can quilt in all directions and stitch designs like this Flame Spiral. I can also quilt using the rulers as a guide. So in that way, a ruler foot is more versatile than a regular darning foot and it's quickly become my favorite foot to use for home machine quilting.

### **The Simple Simon Guide To Patchwork Quilting: Two Girls ...**

In Patchwork, two players compete to build the most aesthetic (and high-scoring) patchwork quilt on a personal 9x9 game board. To start play, lay out all of the patches at random in a circle and place a marker directly clockwise of the 2-1 patch. Each player takes five buttons — the currency/points in the game — and someone is chosen as the start player.
