### **Policing And Prosecution In Britain**

Police - The history of policing in the West: Understood broadly as a deliberate undertaking to enforce common standards within a community and to protect it from internal predators, policing is much older than the creation of a specialized armed force devoted to such a task. The activity of policing preceded the creation of the police as a distinct body by thousands of years.

Law enforcement in the United Kingdom is organised separately in each of the legal systems of the United Kingdom: England and Wales, Northern Ireland and Scotland. Most law enforcement is carried out by police officers serving in regional police services (known as territorial police forces) within one of those jurisdictions. These regional services are complemented by UK-wide agencies, such as ...

Stephen Lawrence (13 September 1974 – 22 April 1993) was a black British teenager from Plumstead, south east London, who was murdered in a racially motivated attack while waiting for a bus in Well Hall, Eltham on the evening of 22 April 1993. The case became a cause célèbre; its fallout included cultural changes of attitudes on racism and the police, and to the law and police practice.
