Relationships - huffpost.com

An interpersonal relationship is a strong, deep, or close association or acquaintance between two or more people that may range in duration from brief to enduring. The context can vary from family or kinship relations, friendship, marriage, relations with associates, work, clubs, neighborhoods, and places of worship. They may be regulated by law, custom, or mutual agreement, and are the basis of ...

Success Quotes - Daily Inspirational Quotes

Dads and sons can have various relationships. It's really sad if they are limited to the biological relationships only — but if you are on good terms with your father, you are truly a happy person. In this case, all we can do is congratulate you, because father-son relationships are probably one of the best things in a boys' (and men) lives.

Father and Son Quotes & Short Sons and Dad Sayings

Few things have such a huge impact on happiness and the enjoyment, depth and plain fun of life as the friendships we have. It could be the friendships with our partners, family members, co-workers and the people we have known for a few years now or since we were kids.. Or even with people we have never even met at the other side of the world or the pets we love.
