### **THERMAL ARC RAIDER 10 000 PRO ENGINE DRIVEN WELDER | eBay**

I bought one of these machines for not much money because it had been sitting idle for a while and would not start. I took it to a local Honda generator dealer who got it running for about \$600 in parts and labor so it starts easily and runs fine; putting out the correct power at all of the plugs. The engine is strong and the machine only has about 300 hrs on it.
