Recruitment And Selection Management Extra

Recruitment and selection are two terms that are often interchangeably used during the hiring process. Recruitment aims to invite as many candidates as possible for the job, whether qualified or not. Selection, on the other hand, aims at targeting the eligible candidates. The unsuitable ones are therefore not considered.

Difference Between Recruitment and Selection - Management Study HQ

The article provides you the basic differences between recruitment and selection in human resource management (HRM) in tabular form. Recruitment is the process of finding candidates for the vacant position and stimulating them to apply for it. The selection means picking up the best candidate from the list of applicants and offering them the job.
