Reiki (レイキ, / ' r eɪ k i : /) is a form of alternative medicine called energy healing. Reiki practitioners use a technique called palm healing or hands-on healing through which a "universal energy" is said to be transferred through the palms of the practitioner to the patient in order to encourage emotional or physical healing.

Reiki - Wikipedia

Reiki therapy is an alternative healing modality that was developed in 1922 by Mikao Usui, a Japanese Buddhist.. It is relaxing and reduces stress, which in and of itself promotes healing. But there's more. Practitioners use “laying on hands,” mantras and blessings to clear the energy in the body and increase the flow of life force energy in order to clear the mental and emotional ...
