The Nanjing Massacre, or Rape of Nanjing, was an episode of mass murder and mass rape committed by Japanese troops against the residents of Nanjing (Nanking), then the capital of the Republic of China, during the Second Sino-Japanese War. In the Postal romanization system used at the time, the city's name was transliterated as "Nanking", and the event called the Nanking Massacre or Rape of Nanking.

Historical negationism or denialism is an illegitimate distortion of the historical record. It is often imprecisely or intentionally incorrectly referred to as historical revisionism, but that term also denotes a legitimate academic pursuit of re-interpretation of the historical record and questioning the accepted views.. In attempting to revise the past, illegitimate historical revisionism ...

Yeah I stole that title from Emmett Rensin.. For a while now there has been a big push and subsequent reaction for more diversity in video game characters. And it's one of those Internet flame wars what always felt particularly annoying to me because the reactionary cries of "evil SJW infiltrating our games" are insufferable and as a dude in the left I would be expected to side with the ...
