Review: 'Show Me The Numbers' by Stephen Few. Show Me The Numbers is a comprehensive and practical introduction to information design that will help you communicate business data with clarity and precision. Good information design is about making choices about what to include and what to leave out.

Show Me The Numbers - Stephen Few - The Personal MBA

We are awash in data. We live in the so-called "information age." So much information is available, without proper care and skill we can easily drown in it. The phrase, "Just show me the numbers," is especially popular among those responsible for sales organizations who are often frantic to know how sales are going.
