The importance of knowing the shapes. Shapes are defining features of many objects all around us. Look around your house or notice objects when you are riding in the car, shopping or taking a walk and discuss the shapes you see.

### **Shapes Worksheets - School Sparks**

Composite Flooring - The first improvement is to install tongue-and-groove flooring made from a durable, low-maintenance, weather-resistant composite material. And the best part of all - it looks just like old-fashioned porch flooring. Post Cladding - The second upgrade is to add cedar cladding to "beef up" the 4x4 posts that are typical on many porches.
