

Stihl Two Man Auger 4308 Carb Setup

Stihl Two Man Auger 4308

Find best value and selection for your Stihl 4308 Gas Powered 2 man Earth Auger Drill search on eBay. World's leading marketplace.

Stihl 4308 Gas Powered 2 man Earth Auger Drill | eBay

Bought this auger to support our custom mailbox business and it's done a solid job. Quality and reliability are key for our business. This is why we went with Stihl over other augers that were much less expensive. Cutting through undisturbed soil, clay, gravel and smaller roots is no problem with the 8 inch auger bit.

Augers and Gas Powered Drills | STIHL USA

Robust two-man auger with additional stop switch for the second operator. 2.9kW. The fold-out frame is clad with a sturdy, robust plastic tube handle. For a variety of tasks from drilling simple holes in the ground to taking soil samples. Powerhead only supplied, auger bits available separately.

STIHL Auger and Drill Accessories | STIHL USA

I have one gearbox they used on the one man version and it must have a roughly 10-1 gear reduction on it. On the one I'm currently using (the two man version) it has at least a 40+-1 gear reduction. I got the gearbox, handlebars, auger bits, etc. from a fellow member here out of Canada and that's the two man version I've been using.

Lawn And Garden | Rental Center of Monticello New York

If you're going to be digging in tougher, more compacted soil or need to make a larger-diameter
hole, you might consider a two-man auger such as a Ground Hog. In addition, you'll want to think
about what size drill bit to use on the auger. Bits typically range from two to 12-inches in diameter,
and most will go 30 to 36-inches deep.
