Declining Excess Reduction. Going Commando. First thing's first. In Australia (unlike North America), this isn't no insurance. It simply means that you haven't opted for any option to reduce your excess — your portion of any damage costs. This cap on your liability is the default for all drivers (providing you don't break the agreement).). Occasionally, you might have the customer ...

Consider the trend: For more than a decade, homeownership rates have declined while rentals have increased. According to a recent report from Harvard University's Joint Center for Housing Studies, the nation's homeownership rate has fallen to just under 64 percent. Plus, the number of new rental households has increased by roughly 770,000 annually since 2004.

x Male sex has been identified as a risk factor for both primary shoulder dislocation and recurrent instability, and male patients more often undergo surgery for instability. Despite published discrepancies between sexes regarding the incidence and surgical rates of shoulder instability, there is little detail on the differences in presentation, mechanism of injury, and intraoperative findings.
