Sufferers' Manifesto: A Challenge to the Best in Us and ...

Sufferers' Manifesto. It is undeniable that new, unusual or radical approaches are now required to address Jamaica's intractable problems. This is not only necessary but imperative. As a nation, Jamaica is currently faced with perhaps the most crucial set of choices in its history.

Sufferers' Manifesto: A Challenge to the Best in Us and ...

Review of Sufferers' Manifesto Owen James analyses a paradox, deciphers the ills associated with it, and proposes well-thought-out alternatives in an analysis of Jamaica's post-independence performance that is a must-read for anyone interested in the future of "developing" nations and in finding responses to the challenges they face.

Sufferers' Manifesto: A Challenge to the Best in Us and ...

The main problem I have with the manifesto is that it inevitably takes a broad-brush macro-perspective of medical care or primary care or whatever else. Even though it explicitly challenges the large-scale framework currently on offer, implicitly, it offers its replacement with a new large-scale perspective.

Manifesto for manifestos - Dariusz Galasiński

Sufferers Manifesto: A Challenge to the Best in Us and Among Us? The airline considers a flight that did not take place as cancelled. As a passenger, one must fulfil a number of conditions to be considered affected by a cancelled flight. Firstly, one must have booked a ticket for the particular flight in question with all the corresponding ...

Manifesto 2017 - Emergency care: Challenges and Solutions In reaction to the 2017 General Election we outlined what we believe should be done to fix and deliver safer, quality emergency care. Below is our guide for parliamentary candidates and their parties to the problems facing emergency medicine and what we need - and what they can help do ...

Manifesto 2017 - Emergency care: Challenges and Solutions

While AI and big data are more and more used to tackle cancer, experts caution: there cannot be exceptionalism for AI in medicine. It requires rigorous studies, publication of the results in peer-reviewed journals, and clinical validation in a real-world environment, before implementation in patient care

Big data and precision medicine in cancer: challenges to ...

The Erice Manifesto specifies the challenges which must be addressed to ensure the continuing development and usefulness of the science, in particular: The active involvement of patients and the ...

The Erice Manifesto - For global reform of the safety of ...

NATIONAL HEALTH SERVICE (NHS) Rebuild South Africa (RSA) will implement the National Health Service NHS, to give patients the modern, well-resourced services they need for the 21st century.

We will invest in the NHS for world-class care. We will ensure that NHS patients get the world-class quality of care they need, and that staff are able to deliver the standards that patients expect.
