In 1966, Marvel Comics introduced the Black Panther, an African monarch who became the first non-caricatured black superhero. The first African-American superhero, the Falcon, followed in 1969, and three years later, Luke Cage, a self-styled "hero-for-hire", became the first black superhero to star in his own series. In 1989, the Monica Rambeau incarnation of Captain Marvel was the first female ...

Arguably no character has a more powerful dash attack than King Dedede. The character overall was improved in terms of speed and power for Super Smash Bros. Ultimate, but his dash attack is particularly noteworthy for being highly threatening to opponents even when not delivered perfectly. Though the move is actually only capable of inflicting 16 in damage, this is still a higher damage ...

Above: Influential Superman writer/artist John Byrne rather overtly invoked the character's strongly Protestant Christian background in this scene. Jonathan Kent, the father of Superboy, tells his son that he prayed for him during a recent crisis. The father and super-powered son are framed in front of a Christian church (note the cross on the tower or steeple in the background).

Actually, in this example the first query ("add a new record...") will fail because Students expects more than just the one column (the original/correct statement provided two columns). That said, the presence of the second column is helpful to show why commenting is required; and since one cannot change Bobby's name, it's probably best leaving as-is with little more than this observation as a ...
