Tennis Technique involves both the forehand and backhand strokes. Improving your tennis strokes will give better results oncourt. by: Coach Eddie. One of the elements that all high level tennis players, college tennis players and world class tennis professionals share is efficient and biomechanical sound tennis strokes.

Fundamentals of Forehand and Backhand Tennis Technique

1. Serve. The serve is the most important shot in tennis. All points begin with a serve. The key to this stroke is fluidity, rotation, and use of the entire body to snap upward into the shot. Start at the baseline with the tennis ball in the non-dominant hand and the racquet in the other hand. Use a continental grip to serve.

The 5 Basic Tennis Strokes - An Overview - Tennis Files

The Four Elements of a Tort Personal Injury Lawyers Serving Tucson, Phoenix, Flagstaff and all Arizona communities. While many people understand that they may be able to take legal action if they are injured due to the negligent or reckless actions of another person, they often do not know what exactly a "tort" is and how it applies to civil law.
