In our first book together, Civilization One, we explained how the Megalithic Yard was made. It was quite straight forward really. The Megalithic engineers used a simple pendulum and an observation of the planet Venus during certain parts of its cycle to create a string length that was equal to exactly half a Megalithic Yard.

The subterranean Chamber of Secrets was created by Salazar Slytherin without the knowledge of his three fellow founders of Hogwarts. The Chamber was, for many centuries, believed to be a myth; however, the fact that rumours of its existence persisted for so long reveals that Slytherin spoke of its creation and that others believed him, or else had been permitted, by him, to enter.
