What is it that fascinates so many about Ronald Arthur Biggs and that makes him a household name in so many countries around the world? Is it the man or the myth that makes Ron, Ronnie, Biggsy, call him what you will, a latter-day Robin Hood or Butch Cassidy, and the man who is best remembered from a gang of sixteen men who held up a mail train on 8 August 1963?

This section describes items that have special rules or require further explanation. Acid: As an action, you can splash the contents of this vial onto a creature within 5 feet of you or throw the vial up to 20 feet, shattering it on impact. In either case, make a ranged attack against a creature or object, treating the acid as an improvised weapon.
