### **The Peasant Armed The Indian**

The peasant armed: the Indian revolt of 1857. This book provides an in-depth analysis of the roots of the rebellion and the various rural groups that participated in the revolt against the English. Stokes also presents a vigorous account of the course of the Mutiny, which illuminates the reason for the British victory and the failure of the mutineers to consolidate their revolt.

Modern Indian History - The Revolt of 1857. In 1857, a Revolt broke out in Northern and Central India and nearly swept away British rule. The Revolt began with a mutiny of the sepoys, or the Indian soldiers of the Company's army, but soon engulfed wide regions and people. Millions of peasants, artisans, and soldiers fought heroically for...

ARMED PEASANT STRUGGLE. It was the Indian ruling class to perpetuate the betrayal of peasants. From another angle, the forces of the ruling class is trying to distort the history of peasant struggle. They are trying to avoid the fact entered the military to repress only Telengana peasants struggle and to protect the feudal zamindars.

The irony lies in the fact that between 1746 and 1856, the Company's dominions had been expanded by these very same brown soldiers, the Indian soldiers in the East India Company's army. Saul David, a British historian, in the book under review focuses on the military aspects of the greatest mutiny of British India.
