The Psychology of The Simpsons - BenBella Books

Most Helpful Customer Reviews. If the Simpsons series is an exaggeration of real life then the application of psychology to it is the medium to bring it back to reality. Or perhaps an alternative view can be considered: whereas psychology applied to the Simpsons is an exaggeration and real life is the only constant.

Psychology of The Simpsons: D'oh! by Alan S. Brown ...

The quality of the Simpsons peaked around Season 8. We watch its current form out of habit, with zero expectations. I fear anyone who thinks the show in 2018 is funny in any way, shape or form.

Homer Simpson as Parent | Psychology Today

Homer's Soul Paul Bloom and Dave Pizarro. 66 • D'oh! The Psychology of the Simpsons were able to invent Prozac and Viagra without an explanation of how a material brain can produce the experience of sadness and lust. But, still, solving the mind-body problem remains a major preoccupation of both
