Avalon Project - U.S. Constitution

The United States Constitution is the supreme law of the United States. The Constitution, originally comprising seven articles, delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the legislative, consisting of the bicameral Congress (Article One); the executive ...

United States Constitution - Wikipedia

Index of the Constitution

Knowing what is in the U.S. Constitution and why the Constitution is relevant to us today is fundamental to our being able to defend it. As federal civil servants supporting the Department of Defense, we have a special obligation to understand and appreciate the U.S. Constitution and the role we each play in providing 'for the common defense'.

U.S. Constitution Course

Section 1. The executive power shall be vested in a President of the United States of America. He shall hold his office during the term of four years, and, together with the Vice President, chosen for the same term, be elected, as follows:
