The Viking Age (793–1066 AD) is a period in European history, especially Northern European and Scandinavian history, following the Germanic Iron Age. It is the period of history when Scandinavian Norsemen explored Europe by its seas and rivers for trade, raids, colonization, and conquest. In this period, the Norsemen settled in Norse Greenland, Newfoundland, and present-day Faroe Islands ...

The Viking revival was a movement of interest and appreciation for Viking history and culture in the 18th and 19th centuries, often with romanticized heroic overtones. It began with historical discoveries and early modern publications dealing with Old Norse culture. These appeared in the 16th century, e.g. *Historia de gentibus septentrionalibus* ("History of the northern peoples", Olaus Magnus ...
