The Sage Library System is a consortium of 77 member libraries in fifteen counties of eastern and central Oregon. The combined catalog of these academic, public, school, and special libraries is hosted by Eastern Oregon University's Pierce Library and managed by the Sage Library System council.

About Us - Sage Libraries | Sage Library System

The Sage Libraries support the mission of the Sage Colleges by providing access to research and information resources that are the foundations of scholarship, intellectual growth and artistic development. Materials in the libraries serve the programs and majors primarily located on each campus. The combined holdings of both libraries include more than 250,000 volumes of...

Great library on the West side of Bay City. Have spent many hours there and witnessed the changes to a more modern computer based system from the old card catalogue system.

Sage Branch Library (Bay City) - TripAdvisor

International Security is one of the main sub-fields of International Relations. This four-volume collection will bring together seminal journal articles and some book chapters to map the main themes and turning points in the development of International Security Studies.
