Climax is the term used to refer to the part of story or play where the tension or action reaches its highest part. Sometimes, the climax is a "crisis" point in the plot. Sometimes, it is just where things "come to a head" and something happens or the main character must make a decision that will lead to one outcome or another.

I. What is Climax? Climax is the highest point of tension or drama in a narratives' plot. Often, climax is also when the main problem of the story is faced and solved by the main character or protagonist. The phrase climax is derived from the Greek word klimax meaning "ladder." Reading a story is like climbing a ladder, with the climax at the top.
