- As a leader, it's really important to articulate who you are and what you stand for and why you're excited to lead your team. I'm Mike Figliuolo and I've studied leadership for many years working with some of the worlds best companies. And in doing so, I've developed an approach called the Leadership Maxims Method where people can articulate their own personal and authentic leadership ...

Developing Your Leadership Philosophy - lynda.com

A teaching philosophy is an explanation of your values and beliefs as they relate to teaching. Your philosophy is often a combination of methods you studied in college or graduate school and lessons learned during any professional experience since then.

Job Interview Answer: What Is Your Teaching Philosophy?

An important aspect of Responsible Coaching is communicating your coaching philosophy from the very first time you meet your players, their parents and even your fellow coaches. We recommend your Responsible Coaching philosophy be from the heart, along the lines of: "I am a Responsible Coach, so my goals, include using sports to educate and prepare children for life, helping them have fun ...

Your (Responsible) Coaching Philosophy | US Youth Soccer

As leaders, we each need our own simple, profound leadership philosophy that is grasped easily and modeled consistently. Example: At the Johnson Space Flight Center, director Ellen Ochoa's leadership philosophy is simple: accomplish the mission and take care of her people.

These 8 Answers Will Fill Your Leadership Philosophy

Over the summer, teachers reflect on the year and often redesign and perfect their teaching strategies and plans. In essence, they get back to the basics of what they believe is the best way to inspire learning in their students -- in other words, they revisit and refine their philosophy of education.

What Is Your Educational Philosophy? | Edutopia

PHILOSOPHY is a study that seeks to understand the mysteries of existence and reality. It tries to discover the nature of truth and knowledge and to find what is of basic value and importance in life. It also examines the relationships between humanity and nature and between the individual and society.

Are you focusing on the right things? Is your energy and focus divided? Do you know what your strengths are? One of the many lessons I have learnt over the years is that focusing on too many

things at once will not enable you to achieve your best results.

Why Focusing on Your Strengths is the Best Philosophy

What a great post. I can join the chorus of those who did graduate work in education, although I was looking at the university level. I particularly like this bit: Our purposes are first things, he says, and without attending to these things, "we are more often preoccupied with simply getting through the days and weeks."

What's Your Philosophy of Education? | Natural Parents Network

Tips to help you consider the questions to ask to uncover your true values and beliefs so you can write a personal philosophy of nursing.

How to Figure Out Your Personal Philosophy of Nursing ...

Philosophy (from Greek φιλοσοφία, philosophia, literally "love of wisdom") is the study of general and fundamental questions about existence, knowledge, values, reason, mind, and language. Such questions are often posed as problems to be studied or resolved. The term was probably coined by Pythagoras (c. 570 - 495 BCE). Philosophical methods include questioning, critical discussion ...
