

Wintering Bees In Iowa

Wintering Bees In Iowa

What if I told you that there was one amazing molecule in the honeybees' bodies that allows them to store protein reserves, make royal jelly, promotes the longevity of queen and "winter" bees, is a part of their immune system, allows them to brood up in spring in the absence of pollen, and has an [...]

Fat Bees - Part 1 - Scientific Beekeeping

by Randy Oliver "There's something happening here/ What it is ain't exactly clear." This observation by Stephen Stills in 1966 could well describe the state of beekeeping today. Something appears to be amiss in the bee population. There have been an inordinate number of colonies collapsing, sometimes with the workers disappearing "suddenly."

Old Bees/ Cold bees/ No bees? Part 1 - Scientific Beekeeping

Feeding Syrup to Honey Bees (See also Feeding Protein to Honey Bees) Feeding sugar syrup honey to honey bees helps ensure that they survive periods when honey may run short, such as winter. Sucrose syrup is a superior wintering feed, since it stays liquid and contains no solids that might cause digestive problems during a long confinement period, particularly in northern continental climate ...

Varroa destructor and Varroa jacobsoni are parasitic mites that feed on the bodily fluids of adult, pupal and larval bees. Varroa mites can be seen with the naked eye as a small red or brown spot on the bee's thorax. Varroa mites are carriers for many viruses that are damaging to bees. For example, bees infected during their development will often have visibly deformed wings.

List of diseases of the honey bee - Wikipedia

Got Organic Milk? That's the question more and more consumers are asking in supermarkets across the nation. | Sales of organic food have grown dramatically over the last decade - soaring from \$3 billion in 1997 to more than \$10 billion in 2003, according to the U.S. Department of Agriculture. Sales of organic food have grown by 20 percent annually, and experts predict that the

Demand for Organic Food Growing Faster than Domestic Supply

United States Naval Construction Battalions, better known as the Seabees, form the Naval Construction Force (NCF) of the United States Navy. Their nickname is a heterograph of the first initials "C.B." from the words Construction Battalion. Depending upon how the word is used "Seabee" can refer to one of three things: all the enlisted personnel in the USN's occupational field-7 (OF-7), all ...
