A fad diet is a diet that is popular for a time, similar to fads in fashion. Fad diets usually promise rapid weight loss or other health advantages, such as longer life. They are often promoted as requiring little effort and producing a "quick fix". In many cases, the diet is characterized by highly restrictive or unusual food choices, which can cause serious health problems.

The Twilight Zone (1959–1965) is an American television series created by Rod Serling. The original series ran for five seasons on CBS from 1959 to 1964 and remains in syndication to this day. As an anthology series, each episode presents its own separate story, often a morality play, involving people who face unusual or extraordinary circumstances, therefore entering the "Twilight Zone."

Yin and Yang are at the base of the macrobiotic diet. As Wiki says, in Chinese philosophy, the concept of yin-yang is used to describe how seemingly opposite or contrary forces are interconnected and interdependent in the natural world; and, how they give rise to each other as they interrelate to one another. Many natural dualities (such as female and male, dark and light, low and high, cold ...
